

## Get together in Barcelona

The conference of the ICDLI will take place at 12th – 14th October in Barcelona. Look forward for the next Plenary Assembly of the ICDLI and get inspired by new facts and décor ideas.

Feel the modern spirit of the laminate's industry and take the chance for discussing, networking and creating new visions. Above the rooftops of Barcelona – high-class speakers give you promising input to design and developments in the industry.

Rainer Kalesse and Dr. Michael Weide (Nolte Küchen) are trendsetter in the industry and they will present the success factors in the

furniture industry. Prof. Ober (University Rosenheim) will show some possible applications and chances in the product development. Robert Spang (thinkstep AG) gives an overview to the review of the ICDLI EPD and Gloria Lopez (Impress) is focused on digital printing strategies.

Further themes will be new marketing strategies for a better promotion of HPL, the results of the annual report 2015/2016 and a detailed report of the technical commission.

We shape you a fantastic framework program to get impressions of Barcelona and get enough space for networking.

**Save the Date – ICDLI Plenary Assembly  
12. - 14. October 2016 in Barcelona!**

## Manufacturer Meeting

The Manufacturing Meeting is a platform for the intense discussion about developments and strategies regarding HPL. Where is HPL positioned? What are new prospects for the future? And where are new challenges? The annual Manufacturer Meeting took place at HPL specialists Dekodur GmbH in Hirschhorn this year in May 2016. The group focused on the data for European HPL market especially national markets like Russia, Spain, Portugal and Germany. Further themes have been communication-tools and some new information about the state of the debate on the use of formaldehyde.
